BRAND POSITIONING

Positioned as a value brand

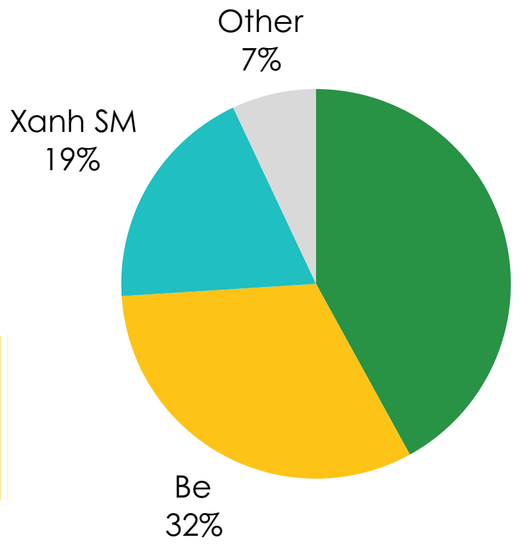

- Good quality
- Affordable price

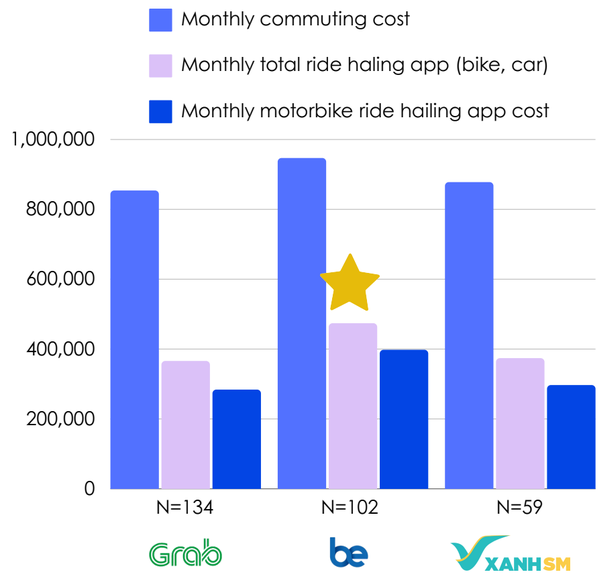

Key takeaways

- Compare to other competitors, Be focused on providing a **convenient, affordable, and high-quality** ride-hailing service to meet customer needs.
- Be maintains **the 3rd position** in the market with a stagnant penetration rate.

#1 The highest monthly expenditure for ride-hailing app

Even Be's users monthly spending is the highest, Grab is still the dorminant player in the market share.

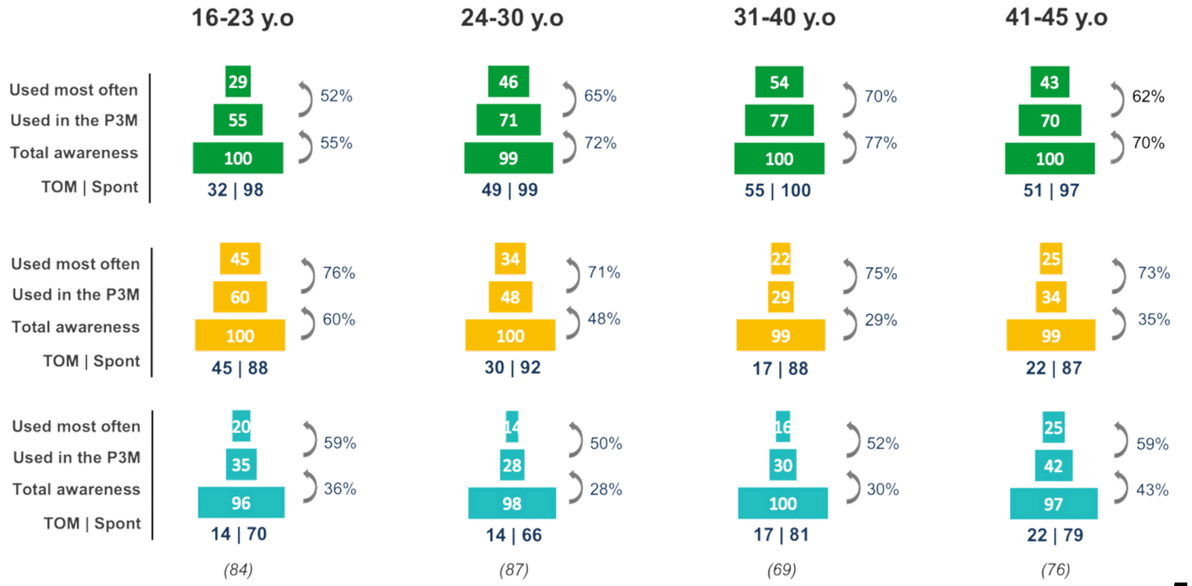

#2 high popularity among the youth

Be has a strong presence among younger age groups, especially 16-23 y.o

Be faces strong competition from Grab, especially among older age groups.

A: The Urban Students (Age range: 18-23)

- **Students, Part-timers, Freelancers, Fresh-graduate** students
- Income: **Low**
- Usage Frequency: **1-3 times per week**
- They care mostly about the **vouchers** and **promotion** and usually consider price between various ride-hailing apps to have the last decision

B: The Office Workers (Age range: 24-35)

- **Entry-level** to **First-level** management Workers
- Income: **Mid to High**
- Usage Frequency: **1-3 times per week**
- They **value quality** but **still consider the price**, sometimes they accept higher price as long as the they consider the price is worthy based on the brand's customer service

C: The Family-oriented Parents/Workers (Age range: Over 35)

- **Middle management** to **Executive** and **Senior** management Workers
- Income: **High**
- Usage Frequency: **1-3 times per week**
- They **value quality over price**, and also other factors such as: safety, legitimacy, customer experience, professional service

- **Price-Sensitive:** They are still price-conscious and will compare prices between different ride-hailing apps.
- **Safety and Reliability:** Safety and the reliability of the ride-hailing service are important considerations for this segment.

Demographic

- Age range: **24-35**
- Occupation: **Entry-level** to **First-Level** Management **Workers**
- Marital status: **Single, Married**
- Income: **under 25 mil VND/month**

- **Career** development
- **Peer** pressure

The Office Workers

Be Connect - Be Together
Be Kết nối – Be Đồng hành

Emotional Benefits

Trust and Safety
Be promotes trust with safe rides
"Be Connect" highlight Be's focus on family safety.

Enabling Life's Moments
Meaningful moments with **loved ones**
Holidays, gatherings, or important meetings.

Empowering Freedom
Be takes care of the logistics, allowing users to focus on what truly matters - **family, work, or relaxation**.
The tagline **"Be Together"** ensures emotional comfort, reliability, and consistent support.

Community Belonging
Vietnamese values of unity and connection.
Understands and **prioritizes local needs**.

Functional Benefits

Seamless Point-to-Point Connection
Effortlessly connect from Point A to Point B, whether for daily commutes, family trips, or deliveries

Multi-Service Integration
A **comprehensive platform** for transportation
Save time by multiple essential services

Personalized Connections
Tailored services using data insights to meet the specific needs of different customer groups (e.g., frequent travelers, families)

Technological Reliability
Real-time tracking, AI-driven route optimization, and cost-effective offerings ensure a seamless experience.

KEY MESAGE	Be Connect, Be Together - Be kết nối, Be đồng hành		
Phase	**Awareness (01/09 - 21/09)**	**Engagement (22/09 - 14/10)**	**Conversion (15/10 - 31/10)**
Objective	Build brand awareness by positioning Be as a reliable, local-first ride-hailing platform.	Increase interaction and loyalty by engaging users through interactive activities and incentives.	Encourage repeat usage and long-term loyalty with personalized campaigns and rewards.
Message	**Be Together, Be Better – Connecting Every Journey**	**Your Partner in Every Ride – Be Together, Be Engaged**	**Always Here for You – Be Together Wherever You Go**
Key hook	• **TVC - Be đi "Đám Giỗ Bên Cồn"** • **Mini Series**	• **Challenge "BeStar: Share to Shine!"** • **Mission Be Avengers**	• **Be Together Subscription Plan** • **Be x Office Professionals – "Ride Smart, Work Smooth"**
Channel	Facebook, TikTok, YouTube, Instagram, TV	App notifications, TikTok challenges, Instagram Stories, Facebook posts	Facebook Ads, in-app banners, LinkedIn promotions
KPI	Reach: 10M+ impressions. App downloads: 15% growth.	Engagement: 30K+ user stories shared. Retention: 25% increase in repeat rides.	Conversion: 20% growth in user retention. Subscriptions: 40% increase in premium users.

PHASE 1 - Awareness

Be Together, Be Better

TVC - Be đi “Đám giỗ bên cồn"

A funny, relatable TVC with Lê Tuấn Khang using BeBike to hilariously tackle the chaos of attending a countryside family gathering.

- The Be bike is highlighted in the TVC with a cameo by the popular KOL, Le Tuan Khang."
- The humorous plot will be enhanced by an adapted version of the song 'Dam Gio Ben Con'.

Target Ads

Mini Series

Ep1	Ep2	Ep3
The Professor's Side Hustle	The Wedding Bouquet Rescue	The Lost Tourist Adventure

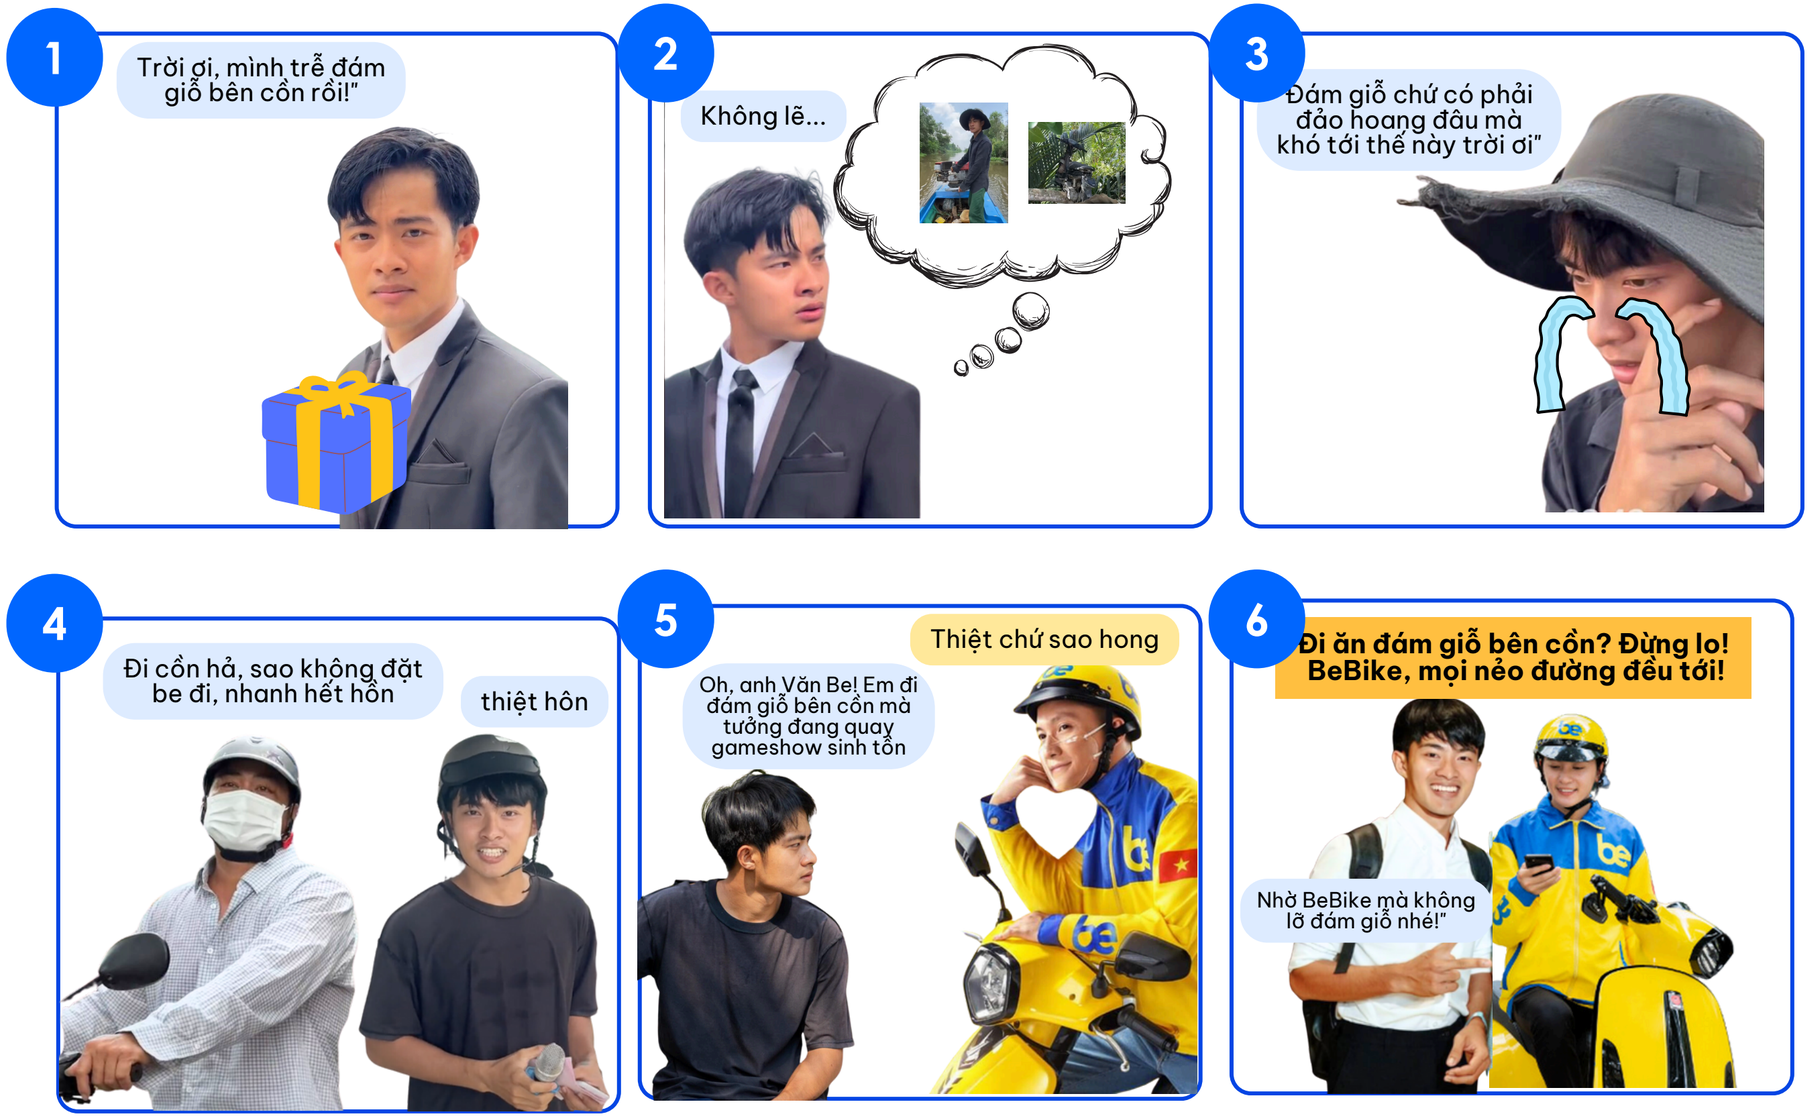

Unexpected plot twists that evoke **humor and emotional connection**, making each episode highly shareable and relatable.
Infused with Vietnamese **cultural elements** (e.g., local landmarks, food stalls, and wedding traditions), resonating deeply with the audience.
Engages users through an **interactive campaign (#BeThereStories)**, encouraging them to share their own experiences with BeBike.

TVC

Story board

Viral hook

- Relatable humor about missing family gatherings.
- Khang's over-the-top panic and his creative (and failing) ideas to solve the problem.
- Comedic expressions and fast-paced, exaggerated sequences for TikTok-style shareability.

PHASE 2 - Engagement Be Connected - Be Engaged

Objective

Deepen user interaction by providing engaging, interactive, and emotionally resonant experiences that enhance loyalty.

Key Activities

"BeStar: Share to Shine!"

Users engage with BeBike's social media by liking, sharing, and commenting on official posts to receive a chance at becoming a "BeStar" for a day.

Execution

Mechanics

- Users redeem a unique voucher by fulfilling social media engagement criteria (e.g., like, comment on 3 posts, share 1 video).
- Random winners receive the "BeStar" experience, including: A VIP ride with a custom-decorated BeBike.
- Personal shoutout on Be's official channels.
- Behind-the-scenes TikTok showing their day as a "BeStar."
- Exclusive social posts featuring BeStars with the tagline: "Everyone deserves their moment. Let BeBike make it yours."

Platforms

- Facebook, Instagram, TikTok.

Expected Outcomes

- Social Engagement: 200,000+ likes, shares, and comments. New Riders: 15% increase in first-time app users.

Mission Be Avengers

A combined gamification initiative where users earn spins on an in-app reward wheel by completing weekly missions. Rewards include discounts, free rides, Be merchandise, and grand prizes like smartphones or free monthly subscriptions.

Execution

Weekly Missions

- Users complete tasks such as "Take 5 rides," "Refer 3 friends," or "Book a ride during peak hours" to earn spins.
- Badges like "Weekend Warrior" or "Referral Master" are awarded for milestone achievements.

Spin & Win

- Each completed mission earns users a spin on the reward wheel.
- The wheel offers instant prizes (e.g., ride discounts, free rides, or merchandise).

Golden Spin Days

- Special limited-time events where users can win big prizes such as smartphones or large ride credits by earning bonus spins during active days.

Dynamic Leaderboards

- Weekly leaderboards showcasing top participants who completed the most missions or earned the most spins.
- Grand prizes like free month-long ride subscriptions or exclusive Be experiences for top scorers.

PHASE 3 - Conversion Be Together, Wherever You Go

Objective

Encourage trial users to become repeat customers by offering highly personalized, valuable, and retention-focused campaigns

Key Activities

Be Together Subscription Plan

Be x Office Professionals "Ride Smart, Work Smooth"

Execution Channels

- **Be App:** Push notifications promoting discounts, packages, and challenges.
- **Social Media:** Targeted ads on LinkedIn, Instagram, and TikTok featuring relatable office commuting stories.
- **Office Zones:** Posters, flyers, and pop-ups for direct engagement in business districts.

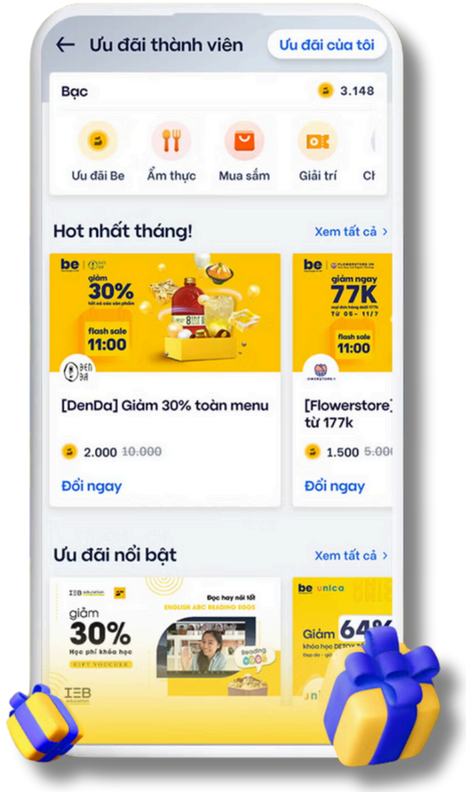

Metrics

- **App Downloads:** 25% increase among office professionals.
- **Ride Bookings:** 30% growth during peak commuting hours.
- **Engagement:** 5,000+ TikTok/Instagram video shares and leaderboard participation.
- **Retention:** 60% of new users retained post-campaign.

Be Together Subscription Plan

Concept

Launch a subscription program offering benefits such as unlimited short-distance rides, priority booking, and exclusive discounts for a monthly fee.

Execution

Tiers:

- Basic Plan: 300k VND/month for unlimited rides under 5KM.
- Premium Plan: 550k VND/month for no wait times, priority drivers, and free partner offers (e.g., coffee vouchers).

Promotions: First-month free trial for new users who subscribe within the first week of launch.

Channels: App banners, email campaigns, and social media.

Expected Outcomes

Subscriptions: 30% conversion from trial users.

Retention: 40% of subscribers remain active after three months.

Be x Office Professionals – "Ride Smart, Work Smooth"

Concept

- Increase app downloads and ride bookings by targeting office professionals during commuting hours.
- Build loyalty by positioning Be as the most convenient and affordable commuting option for working individuals.

Execution

1. Peak-Time Discounts:

- Offer **30% off rides during rush hours** (7:00–9:00 AM, 5:00–7:00 PM) with promo code "**BE2WORK**."
- Introduce **weekly and monthly ride packages**

2. Corporate Partnership Program:

- Partner with companies to provide exclusive Be vouchers for employees.
- Create "BeWork Perks" – customized ride plans for office teams with bulk discounts or priority booking services.

3. Referral Challenge:

  - Employees refer colleagues to join Be and earn 20K VND ride credits for each new user.
  - New users get 50% off their first three rides.

Be x Office Professionals – “Ride Smart, Work Smooth”

Execution

4. Leaderboard Challenge:

- Gamified app leaderboard rewarding the "Top Commuters of the Month" with free rides, exclusive merchandise, or premium Be services.
- Weekly updates on rankings to encourage participation.

5. Social Media Campaign - #Be2Work:

- Launch a TikTok/Instagram challenge encouraging users to share creative content about their stress-free commute with Be services.
- Reward the most creative entries with exclusive ride subscriptions and branded merchandise.

Execution

6. On-Site Activations:

- Set up **pop-up booths** in high-traffic office zones for app onboarding and free ride voucher distribution.
- Distribute branded items like tote bags, water bottles, and desk organizers to enhance brand recall.
